CAMERON, MILAM COUNTY, TEXAS, THURSDAY OCTOBER 30, 1958

12 PAGES TODAY

CAMERON'S ARMORY — This architect's sketch of the \$110,386.90 Milam National Guard Armory shows the completed structure. Now under construction on W. Batte St. in west Cameron, the armory will house Battery C, 649th AAA Battalion. It will include a drill

hall 93 by 59 feet within the 108 by 116-foot structure. The present building will be used to park battery equipment and vehicles. Completion of the project is expected by the end of the year, officials estimate. Contractor is Coffield Construction Co., Rockdale.

Light Voting Predicted

Voters To Check 3 Milam Ballots

A light Milam County Vote is expected in the general election Tuesday that will consider 31 elective offices, nine state amendments and two county issues.

Polls will open at 8 a.m. and close at 7 p.m. at the 39 precinct polling places.

County Judge Charles C. Smith predicted a vote of about 2,000 in the November 4 election. He said that previous non-presidential year elections have shown a count of 2,000-3,000. The 1958 presidential vote totaled 5,466 tallies in Milam county.

Only 14 absentee ballots had been cast at presstime. Major interest in the Tuesday election will probably center in two county election for or against at large ranging cattle and other stock, Judge Smith said.

W. D. Wood and W. A. Thomas, Milam spokesmen for a group favoring free hog ranging, said defeat of the proposed stock law would not affect any precinct or community under a stock law because such precincts would remain under appropriate stock laws. They urged their friends to leave the issue on a local option basis.

The voter will mark separate ballots on the cattle and horse, mule and hog questions. Judge Smith noted two distinct questions, one for or against control of cattle, and the other for or against control of horse, mules, and hogs.

31 Posts Up

The general ballot will list 31 positions up for general election, including 11 contested state offices.

A major portion of the ballot is taken up in the list of nine proposed amendments to the station constitution. (A complete list of the amendments is adjacent to this story.)

A complete ticket of 31 Democratic candidates is up for election following primary voting this summer. Only 11 offices are opposed, four by Republican candidates: Edwin S. Mayer for governor, along with Democrat Gov. Price Daniel, Roy Whittenburg for U. S. senator along with Democrat Ralph Yarborough and Constitutionite Bard Logan; John Q. Adams for Supreme Justice, Place 1, along with Democrat Robert W. Hamilton; and Grover C. Carothers for agriculture commissioner along with Democrat John C. White and Constitutionite H. W. Vogan.

The Constitution Party also lists a ticket including candidates Philip Eubank, Muckleroy McDonnell, W. C. Miller, Bert Ellis, Howard Burnbaum, R. Glenn Florence and Ruben R. Lozano.

Democrat nominees account for all county offices: They are: H. D. Maxwell, county superintendent; Don G. Humble, county judge; Wayne Wieser, county clerk; Mrs. Ida Johns, county treasurer; W. F. Talafuse, county surveyor; and Max McClaren, county chairman of the Democratic party.

Other Nominees

Other unopposed Democratic precinct nominees are R. H. McCasland, Precinct 4 and LaVert McKinney, Precinct 2 commissioners; and seven justices of the peace precinct nominees.

Unopposed for district offices both state and federal are: W. R. Poage, congressman; Herman Yeak, representative; and Grady Allen, district court clerk.

On the state level other major Democratic nominees are: Ben Ramsey for lieutenant governor; Will Wilson for attorney general; Bill Allcorn for land commissioner; Jesse James for treasurer; Olin Culberson for railroad commissioner; and Robert Culvert for comptroller of public accounts.

Four other state judicial posts have Democratic nominees.

Wildcat Drilling Below 2-Mile Depth

General Crude Oil Company No. 1 P. H. Perry, Milam County deep wildcat, was drilling below two miles deep late last week. The test was being reamed at 10,526 feet on Friday, Nancy Heard, the San Antonio Express oil editor, reported Saturday.

Jimmy Asher

Asher Takes Post With Austin Church

Jimmy Asher, education and music director of the First Baptist Church for more than six years, has accepted a position as education director of the Congress Avenue Baptist Church, Austin.

Winner of the 1954 McCullin Award, Asher submitted his resignation to the congregation of the First Baptist Church Wednesday night.

Mr. and Mrs. Asher will move to Austin November 6 where he will assume duties as education director of the 1,400 member Austin Church.

Asher has been active in Milam civic work as well as in church work in Central Texas.

He has been a member of the board of directors of the Cameron Rotary Club, active in the North

Milam United Fund and halftime announcer for the Yee High School band for five years. He was awarded the McCullin Award in 1954 as Cameron's leading citizen.

In church work, Asher is serving on the state executive board of the Baptist General Convention. He also headed the District 15 Brotherhood Convention of 225 Baptist Churches.

He established and directed the youth program during the past six years with the Cameron First Baptist Church.

Mrs. Asher also has been active in church and civic life. She headed the District Women's Missionary Union and the church and county Baptist Girls' Auxiliary.

The Ashers moved to Cameron from Georgetown in 1952.

The 9 Amendments

NUMBER ONE (HJR 1)—Provides for annual sessions of the legislature, changing the compensation, per diem and travel expenses of members of the legislature and authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol Building.

NUMBER TWO (SJR 6)—Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct.

NUMBER THREE (HJR 30)—Provides that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election.

NUMBER FOUR (HJR 31)—Provides that any District, County, or Precinct official serving a four year term must resign before announcing for a different office if there remains unserved more than one(1) year of the term for which he was elected.

NUMBER FIVE (HJR 48)—Provides that a Home Rule City may provide by Charter Provision, and a City operating under the general laws may provide by majority vote, for a longer term of office than

two (2) years for its officers, either elective or appointive or both not to exceed four years.

NUMBER SIX (HJR 47)—Provides for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widow.

NUMBER SEVEN (SJR 4)—Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas.

NUMBER EIGHT (HJR 36)—Gives the Legislature the power to authorize vendor payments for medical care in addition to the amounts paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance.

NUMBER NINE (SJR 3)—Authorizes the Legislature to create a Hospital District coextensive with the incorporated limits to the City of Amarillo, Texas and a county wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas.

NM Fund Continues County Campaign

The North Milam United Fund moved to house-to-house call this week under the direction of nine district chairman, according to Mrs. Lyle McDermott, personal drive chairman.

The drive followed a special gifts survey of downtown Cameron that had brought in about \$4,000 in contributions up to Wednesday.

Workers were shooting for the \$12,850 goal set for the seven-agency North Milam Fund.

Mrs. McDermott listed the following district chairmen: Mrs. John Davis, Mrs. Hugh Smith, Mrs. James Wigs, Mrs. John C. Martin, Mrs. Johnny Springer, Mrs.

Preston Tucker, Mrs. Ellis Coker, Mrs. E. A. Mees and Mrs. A. F. Matula.

The personal NMF chairman said that pledges of those persons in residential areas not yet contacted may be made to any of the district chairman or by calling Mrs. McDermott.

Drive Chairman Don Humble appealed for pledges to the annual drive for funds. He said that pledging is the most convenient way to give "the United way."

Mrs. McDermott said her workers in Cameron and 14 other North Milam communities would probably complete work this week.

Paralytic Polio Strikes Boy, 7, At Branchville

A grim reminder that polio still strikes children came forth this week as Milam County's first 1958 polio victim lay stricken in a Waco hospital.

Calvin Henderson, 7-year-old son of Mrs. Zeola Henderson, Branchville, is a victim of paralytic polio, following diagnosis of the attack by medical authorities last week.

The Negro youngster, one of several children, has been stricken in both legs and one arm.

Officials said that he had not taken the series of Salk vaccine shots.

The polio attack brought renewed reminders from Cameron doctors to parents to have their children inoculated with the Salk vaccine.

One doctor said that major manufacturers of the serum are destroying large quantities of the vaccine because the public is not using it.

Authorities urged parents to have their children vaccinated either by their family physician or at the Milam County Health Unit. The series of Salk shots may be received free at the health unit, officials said.

A Trail Of Stolen Cars...

Duo Caught In Louisiana

Two Fort Sill, Okla. soldiers, Milam County's latest jail escapees, are in custody today following their capture Friday in Minden, La.

Daniel Neace, formerly of West Virginia, and Donald W. Smith, former near Rockdale, engineer, an escapee early October 22 through the same welded barred windows broken out by two-time escapees in March.

Sheriff Carl Black told The Herald that Neace and Smith left a trail of stolen cars from here to Minden before their capture, including the Cameron escape vehicle, a 1954 Ford owned by Bill Nowaski.

Authorities in Minden arrested the duo after a tri-state alarm was put out from Cameron. They were apparently headed for Neace's home in West Virginia, Black said.

Use Three Cars

Following their car theft here, Neace and Smith changed cars in Rusk, where Nowaski's vehicle was found, then stole another car in Henderson before being caught in Louisiana, Sheriff Black said. The Nowaski car is reported to be in good shape.

U. S. Army authorities were in Cameron Thursday investigating

the pair, Black said. Both Smith and Neace were sought by military and civil authorities, the county law officer said.

The duo was returned to the county jail at Henderson by the sheriff there.

Sheriff Black said that Smith had lived in Milam County in 1952 and had a record of previous arrests.

Neace and Smith had been confined in the Milam County Jail after their arrest in a Rockdale tavern by Rockdale police and Highway Patrolman Jack Straley, Cameron. They were brought to Cameron for questioning, Black said.

Tip Brings Arrest

Authorities said that an unidentified Rockdale source had accused the men of destroying a 1947 Cadillac in the San Gabriel River bottom October 21.

Military authorities at Fort Sill wanted the duo for questioning of theft and AWOL charges in Oklahoma.

Two other men broke out of

the 60-year-old jail this spring. Sheriff Black apprehended them for trial and conviction on burglary counts. They were Chairel Vernon Huddleston, 23, and Paul McKenzie, 29.

Quarterbacks Plan Ladies Night Here

The Cameron Quarterback Club will host a ladies night Monday at 7:30 p.m. in the Agriculture Building on the Cameron School Campus.

Charlie Burke, president of the club, announced that a film of the previous week's game will be shown and refreshments served following the meeting.

Residents Thanked

The local office of the State Department of Public Welfare, in a note to The Herald, expressed its thanks for the generous response of the people of Milam County to their recent call for strained foods, clothing and mattresses.

C of C Planning Christmas Parade

The Cameron Chamber of Commerce has voted to hold its annual Christmas parade 3 p.m. Friday, December 5.

Decision to schedule the event came at a board of directors meeting Monday.

The annual Chamber parade brings Santa Claus to Cameron for his early-season visit. Accompanying Santa Claus in the parade will be about two dozen floats, bands and parade unit.

Cards went out to Chamber members last week, asking for participating units in the parade.

Last year 32 units participated in Cameron's biggest Christmas parade which attracted about 4,000 Milam Countians to downtown Cameron.

Hundreds of children swarmed old Santa at the Milam County Courthouse.

Police units, floats and bands are again expected to spread the number of entries in the 1958 parade, according to Chamber President Hilliard Thomas.

18-AA District Game

Yoemen Await Rogers Test

The Cameron Yoemen await a mediocre Rogers football eleven for the final homegame of the season at Yoe Field.

Kickoff time is 8 p.m. Friday. Coach Jim Speer reports his Yoemen in good physical shape after the exciting 26-22 win over inspired underdog Rosebud in last Friday's game.

He said the only change in the Cameron lineup Friday would be Triney Alvarez for Griffin Barrett in the line.

Rogers' team averages about 170 pounds, according to school officials, but lacks the team experience thus far to fend off the other 18-AA teams.

The Rogers lineup is:

Rogers

Highway Decimation...

Texas drivers slaughtered 19 of their number over the past weekend.

It brings to the fore the continuing highway murder in Texas and throughout the nation.

Despite wider highways, despite radar traffic checks, despite a continuous educational program for safer driving, we continue to decimate life and property.

The only control still unapplied has been human controls of the driver. There is nothing more consistent with driving sense than a thinking driver instead of an angry one.

There is little doubt that many people thrust their frustrations along with their right feet through the floorboard when flying down the roadway.

Theirs is not an urge just to get somewhere in a hurry. There seems to be an unconscious urge to destroy life and limb for the sheer sake of ascertaining themselves.

So we see passing on curves and hills. We see open, blinding speed to assure that no one gets ahead of us. The arrival time is less important than leading a trail of cars passed behind us and, perhaps, a tale of highway carnage.

When the rending crash comes, as it surely does for faster-than-life driving, all is sorrow and retribution. But the desire to relieve a few seconds is too late. The only time to plan doing things more than one way is before the act.

Modern automobiles are amazing machines that will provide the conveniences of home. They are likewise lethal weapons that kill and maim in the hands of speed and thoughtlessness.

It was mostly speed and thoughtlessness that struck down those 19 Texans last weekend. And for the most part, it is the responsibility of drivers living today that those died a few days ago.

Capitol Report

State Leaders Fight 'Battle Of Budget'

By Vern Sanford

AUSTIN, Tex.—As Texas' "Battle of the Budget" roars on toward its 1959 climax, almost every week brings a new statement on the probable size of the state deficit. Usually worse than the last one.

State Comptroller Robert S. Calvert and Legislative Budget Director Vernon A. McGee combined to present a frankly pessimistic picture for the Texas Research League meeting in Austin.

McGee said the general revenue fund will need \$279,000,000 during the next two years to keep things going as they are. Calvert estimated that the present tax structure would put \$125,000,000 into general revenue during this period. This leaves a gap of \$154,000,000 between estimated income and outgo. In addition, Calvert estimated the general revenue fund will be \$55,600,000 in arrears by the end of the present fiscal year in August, 1959.

Research League is composed of several hundred leaders in Texas business and professions whose private contributions support research in the interest of governmental efficiency. Much of the League staff's time during the past year has been devoted to assisting the State Tax Study Commission in a mammoth survey of Texas' revenue and tax problems.

CAN DO

Gov. Price Daniel took a "We can lick this thing" attitude in a press conference on taxes.

Daniel said he felt the deficit could be erased and new revenue needs met without a general sales tax or income tax. Taxes we have presently could be raised to the maximum level used in other states, said the governor. And other taxes not sales or income - could be added.

Daniel also indicated that he was not fully convinced that the gap between income and needs would be as large as the \$154,000,000 mentioned by the comptroller.

He would not definitely say now, said the governor, that he would or would not veto sales or income tax bills if passed by the Legislature. But he made it clear that he did not favor them, and that he thought there were better possibilities.

Daniel praised state agencies who reduced their budget requests a total of \$1,490,631. Overall, the budget requests had run \$272,000,000 higher than for the present biennium.

HOSPITAL SPENDING AXED

Possibility of more drastic cutting loomed when the Legislative Budget Board voted to reject some of the appropriations being sought by the State Hospital System.

It voted to top \$8,000,000 off the system's requested operating fund and disapprove spending \$5,500,000 for a new mental hospital in the

Gulf Coast area.

Budget Board recommended a slight increase in money for the Texas Youth Council. But it voiced a "thumbs down" attitude toward setting up a state-supported paid parole system for juvenile delinquents.

Legislative Budget Board is made up of 5 members from the House and 5 from the Senate who, with staff assistance, screen appropriation requests in advance and make recommendations to the Legislature.

PULLING UP

Two state agencies who've gotten black marks in past years got basically good report cards in the summaries given by analysts for the Texas Research League meeting.

State Insurance Department has made many improvements in the year since its reorganization, said one researcher. He predicted that an era of better regulation would result in saving to policyholders and fewer company failures.

State Welfare Department was described as "Basically well-administered" in comparison to some years ago when it was the source of dissatisfaction.

In the welfare field, the League was told, Texas can expect increased spending in the future. Texas now spends 18 per cent of its tax money or \$173,000,000 a year on welfare. But other states are "more generous," observed the researcher.

SALARY FORMULA

Budget Board also is giving attention to drawing up a bill setting up a salary schedule for state employees.

It purpose would be to guarantee "like pay for like work" throughout state departments. It would be based on a job classification study recently made by the Texas Employment Commission.

Public school and college teachers and persons in executive positions would not be included.

Budget Board members commented that in some departments a person doing stenographic work may be called an "administrative assistant" and get more money than a person doing stenographic work in another department.

ANTI-CRIME LAWS

New laws and institutions to deal more forcefully with Texas' soaring crime rate may be a major topic for the next Legislature.

County and district attorneys meeting in Austin were asked by Governor Daniel to help in the job of strengthening and plugging the loopholes in Texas' law enforcement structure. Daniel said that at the present rate Texas will have a 28 per cent increase in crime in three years.

THE LITTLE RIVER PHILOSOPHER

Sage Wonders How Anybody Could Inject Foreign Policy Into Politics

Dear editor:
All during the Congressional campaign throughout the past few weeks I've been reading indignant statements by different people saying we ought to keep our foreign policy out of politics, and I wish to say that if foreign policy has been injected into politics, I didn't do it. I don't know what our foreign policy is.

For example, I know we must have some policy toward say Formosa, but how can you expect me to know what it is when nobody in Washington does either?

However, I'm not sure there's anything wrong with injecting foreign policy into politics, lots of candidates inject honesty into politics and some of them don't know what that is either. If you're going to limit politics to what a man knows, I know some candidates whose campaign wouldn't last longer than five or ten minutes. I figure mine, if I was running, would last one or two.

Speaking of foreign policy, I read the other day where a man in Washington said the United States now has fewer friends in the world than ever before. This is the sort of statement that intrigues me.

In the first place, I don't even know how many friends I had a broad before, not to mention now. Foreign friends added up by somebody else are somehow different from friends in your own neighborhood. With the latter, you can find out for yourself, but with the former, you have to take somebody's word for it, and as a result you never know which side they're going to turn up on when the chips are down. Some of our best friends in the first world war were our worst enemies in the second, and some of our allies in the second are our worst enemies now. You get the feeling that foreign friends frequently are like your welcome in some stores. You're welcome only as long as you're spending money there.

If you catch any politician injecting our foreign policy into politics, I wish you'd let me know about it. I'd like to corner him and ask him what it is.

Yours faithfully,
J. A.

Nov. 20 Deadline To Mail Overseas Christmas Gifts

Postmaster John R. Hays announced today that the period between November 1st and November 20th, 1958 has been designated for the mailing of Christmas parcels, Christmas cards and letters to members of our armed Forces overseas.

Christmas cards and letters going by Air Mail should be sent between December 1 and December 10.

The postmaster explained that the term "Armed Forces overseas" includes personnel of the Armed Forces, members of their families, and authorized United States civilians employed overseas who receive their mail through an APO number.

"Those of you who are planning to send Christmas gifts in addition to your Christmas cards and letters should check at the Post Office regarding size and weight limitations and best methods of packing your gifts for overseas delivery."

Choose your cards while our selection is at its very peak.

You'll find the finest here!

ery." Hays said. He pointed out that boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of articles within the package.

Unless completely packed and tightly filled, the boxes are likely to be crushed. A slip showing list of contents and addressee should be enclosed in every box or package. To certain APO's and NPO's a Customs Declaration on Form 2966 or 2976-A must be completed by the sender.

County Agent Reports

Economist Looks At Livestock Situation

Good ranges and plentiful grass plus a hesitancy on the part of many feeders to pay the asking price for feeder calves have, for the second year in a row, delayed the movement of beef cattle into feedlots, reports A. B. Wooten, economist for the Texas Agricultural Extension Service.

Last year prices of feeder cattle and calves started upward in November and by late March had advanced \$6 or more per 100 lbs. from their October level. A similar increase is not likely this year. The bumper crops of feed grains has upped the demand for feeder calves, but feeder prices are now squeezing the price margin in feeding.

The economist believes the continued high demand for beef will hold through 1959 since business activity has increased. Per capita supplies, however, may drop below those for 1958. Beef will be competing against larger supplies of pork and poultry, and the general level of cattle prices in 1959 is likely to remain near the 1958 level.

Swine producers have been stepping up their marketings in order to beat an expected fall price drop and the earlier movements have somewhat cushioned the price decline. Prices, however, have dropped more than \$4 per hundred from the mid-summer high.

The latest pig crop report indicates that the number of sows farrowing this fall will be 17 per cent higher than for a year ago. When this "hog parade" starts to market next year, a sharp price decline is almost a certainty.

Look At 1959 Potential

Under normal expectation, far-

mers will be more efficient next year than this — use more fertilizer, more pesticides, better machinery and equipment, and apply more scientific knowledge to production problems.

They will have fewer production restrictions: The new farm law adds acres that might have been taken out by preventing a 40 per cent cut in rice acres and a 20 per cent cut in cotton. More corn acres will be available if growers vote allotments out. Encouraged by 1958, wheat growers will add more acreage.

In addition, 17.2 million acres now in the Soil Bank's Acreage Reserve will be available for production in 1959. This is productive land, acres which had only recently been producing corn, cotton, wheat, tobacco and rice. Much was "banked" for just 1958, the rest has been retired since 1956 or 1957.

No Official Estimates

There are no official estimates of how much more land will be farmed next year. But USDA experts predict there will be a sizeable increase over 1958 — and that farmers will try to wring all they can out of the land they have in production. Lower farm prices will play a part, they say.

Destroy Cotton Stalks

Extension Entomologists F. M. Fuller and C. F. Garner are advising Texas cotton growers to destroy all cotton stalks as soon as possible after the harvest is completed. Destroy the cotton stalks to prevent a carryover of pink bollworms. Other cotton destroying insects are also hit hard when their food supply is cut off. Stalk shredders are recommended for carrying out the initial stalk destruction.

Mrs. Charles Attends National Home Demonstration Convention

By Mrs. Alice Hughes
Home Dem. Agent

Mrs. Berenice Charles of Tracy has returned from Wichita, Kansas, where she attended the annual convention of the National Home Demonstration Council. She was one of a delegation of 14 women from Texas.

About 4740 women, representing more than 6½ million who take part in home demonstration work throughout the country, were at the event which started Sunday, October 12, and concluded Wednesday night, October 15. Delegates came from 42 states and as far away as Hawaii, Puerto Rico and Alaska. The delegates followed a full schedule of talks, discussions, as-

semblies, special programs, and business sessions. A conference highlight was a banquet Wednesday evening. Speaker for this event was Mr. Byron Lopp, Denver, Colorado, Public Relations Authority, whose topic was "Human Relations at Home, On The Job, And in Social Life."

Another important speaker was Dr. James A. McCain, President Kansas State College, who spoke on "Education For Life," and stressed the fact that home economics could become one of the first casualties of the Russian Sputnik, because of widespread ignorance on the part of the general public and failure on the part of home economics specialists to keep home economics firmly grounded in the liberal arts, instead of classifying it with driver training, personality development, and scarf-dancing.

Other speakers were Mr. C. M. Ferguson, Administrator Federal Extension Service; Miss Frances Scudder, Director of Home Economics Programs, Federal Extension Service; and Dr. Joel Moss, head of the Division of Family Relations and Child Development at the University of Nebraska.

This meeting was the 22nd annual get-together of the National Home Demonstration Council.

An estimated 25,000 women participate in home demonstration work in Texas.

SCS Works With Local Farmers

Most grasses are making a good seed crop this year according to USDA Soil Conservation experts. Little bluestem grass has made more seed this year than it has made in several years and A. J. Jenkins, district cooperators, plans to combine about 8 acres of little bluestem grass for seed on his farm about 2 miles north of Rockdale.

He was assisted in making a soil and water conservation plan for his farm by a technician from the Soil Conservation Service. Planting of additional little bluestem grass is one of the practices that he planned for his farm. He plans to harvest his own seed since native seed is better adapted than seed grown several hundred miles away.

King Ranch bluestem seed has been combined by Jack Winterrodt of Thrall and L. D. Hengst of Thorndale, who are also cooperators with the district.

A close check is being kept on grass seed that can be profitably harvested. Technicians from the Rockdale Work Unit are available to give assistance in the harvesting of grass seed.

There are several ways that grass seed can be harvested. It may be hand stripped and saved for planting. Some cooperators mow the grass when the seed is ripe and scatter the hay on the ground immediately. This method of planting, known as the hay method, is a very good way to plant little bluestem. Grass seed

can also be harvested with a combine.

In many pastures there are scattering bunches of little bluestem and other native grasses. Stock should not be allowed to eat these seed heads for another two to four weeks. After frost some grazing should be done to shatter the seed and to trample them into the ground.

Grass seed should be planted dead weeds and grasses or on a either a good mulch consisting of that accumulates from residues of well prepared seed bed. Mulch grasses and weeds following a 6 to 12 month deferment is usually sufficient for grass plantings. Many times there are more good grasses in a pasture than one thinks and a deferment long enough to allow these grasses to make seed will determine how much seeding is needed.

Clearing or deadening trees is needed on thousands of acres in the Rockdale Work Unit area of the Taylor Soil Conservation District for better pasture and range improvement. Enough trees should be deadened to allow the sunshine to strike the ground on all sides of the trees that are left. An average timber one man can deaden one acre per day. All that is needed is to cut through the inner bark all the way around a tree. A cedar axe is a good tool to use for chopping around a tree. Grass will not grow in total shade. Over 16 per cent shade is enough shade to begin limiting the growth of grass.

Conditions Right For Peach Tree Borers Control

by Robert W. Hochmann
Ass't County Agent

For peach tree borers control, treat the trees between October 20 and November 15, when the soil is dry and soil temperature is 55 degrees, or above.

Remove the weeds and loosen and level the soil about one foot from the tree trunk. Place Paradichlorobenzene crystals (PDB) in a narrow circular band, preferably in a groove about 2 inches from the trunk. Place several shovels of clean soil over the crystals and mound the earth into a cone shaped pile about 6 inches around the base of the tree. In placing the first few shovels of soil, avoid pushing any of the material against the tree, since crystals, when in contact with the tree, cause injury.

Compact the soil with the back of the shovel. Remove earth

Queens Dodd, Abel Crowned Saturday At Sharp Carnival

Nearly five hundred persons attended the PTA Halloween carnival and coronation Saturday night at the Sharp school.

James Lynn Taylor, announcer for the elementary grades, crowned Queen Kathy Abel and King Carey Wayne Offield of the third

mounds in the early spring. For 2 and 3 year old trees, use ½ oz. of crystals; 4 to 5 year old trees, ¾ oz.; and mature trees, 1 oz.

and fourth grades. Queen Joyce Ann Dodd and King James Quillet of the junior division were crowned by Florine Love, announcer for the high school classes. The program included a high school chorus, a grade school chorus, a carol reading by primary children, a skating solo and a masquerade parade.

TEXAS CHAMPIONS OF FREEDOM

Rene Robert Cavalier, Sieur de la Salle

First Freedom Fighter in the Great Southwest

Whatever the motive of France in sending Rene Robert Cavalier, Sieur de la Salle, down the Mississippi River from Canada in 1678, the adventurous Frenchman himself was seeking freedom and a new life. From the mouth of the river he returned not to Quebec, as ordered, but to France... for permission, money and colonists to establish a colony in the newly explored region. His fleet of four ships entered the mouth of the Mississippi's main channel on December 19, 1684... but La Salle changed his course. He landed on the coast of Texas, near Matagorda Bay. There, in February, 1685, he established Fort St. Louis as a base for further explorations.

The settlement failed and La Salle himself was murdered by some of his own men in 1687. But he had influenced significantly the history of Texas. His colony gave France a basis

for claiming the area and impelled the Spanish to hasten their expansion north from Mexico. The mission of San Francisco de los Tejas was established in 1690 as a barrier to French designs... and the territory of Texas became freedom's battleground.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Cameron C-Team Fells Rosebud, 14-6 In Delayed Game

The Cameron C team led by Amos Dosocil rumbled over Rosebud Thursday night 14-6.

The game was originally scheduled for Tuesday night October 21. Amos Dosocil picked up 84 net yards carrying the ball and scored in the last quarter on a 20-yard trot. He actually made several more long runs netting over a 100 yards, but penalties against Cameron called the ball back a number of times.

James Parker, Cameron end scored the first touchdown for the Yoe Yoes on a 40-yard pass from quarterback Allen Boyer who netted 67 yards passing, completing 3 out of 5.

Edwin Michalka picked up 60 yards on the ground to rank 3rd in Cameron ground gainage. Tom Moody rounded out the backfield. Rosebud scored their lone TD in the second quarter. Cameron netted 219 yards in total rushing. Outstanding defensive players for Cameron were Parker, Bobby Jones, and Bob Dymke.

The team, coached by Billy Joe Michalka, plays Rogers next week.

30 Acre Lease To Help Texas

By Vern Sanford

Announcement of the lease of 30 acres of land at Port Mansfield by the State Parks Board is much more important to Texas' recreation program than the size of the property might indicate.

Port Mansfield isn't a new spot on the Texas Coast. It's been there for years. But during the last year more people have come to know about it than for all the rest of the time it has been there.

Located at the end of a farm to market road, 25 miles east of Raymondville, it is one of the best fishing spots on the Texas coast. It can be reached over U. S. Highway 77 through Kingsville, south of Raymondville; or over U. S. Highway 181, south of Falfurrias to San Manuel, thence due east until paved State Highway 186 leads to the Gulf.

To give you a better idea, Port Mansfield is just 325 miles from Austin.

For a long time Port Mansfield has been a good fishing spot. But, it was hard to get to and had practically no accommodations. Today Port Mansfield has more covered modern boat stalls and better launching ramps than perhaps any other spot on the Texas Coast. The boat stalls are on a basin provided by the Willacy County Navigation District.

Another important feature of going to Port Mansfield is the motel accommodations. Latest model is by Sid Wheelless, who built the famous Bar-K ranch near Austin. He has just constructed a modern motel on the banks of the bay waters. It is a place where the entire family can go. It has comfortable beds, nice rooms, a good eating place and is less than one hundred feet from the water.

Recently a group of Texas newspaper men spent the week end at Wheelless' Red Fish Motel. It was just after the democratic convention. Their nerves were on edge and they wanted to get away from it all. So Wheelless invited them to come to Port Mansfield and fish for a few days.

Usually the best time to go fishing anywhere is just before you get there or just after you left. This case was the exception, however.

The scribes hit two wonderful days of fishing. Everyone hauled away an ice box filled with some of the most beautiful trout you ever saw. Out there in the waters of Laguna Madre they were so busy pulling in those yellowmouths and playing with skipjacks that

they were able to forget completely for a few hours the political squabbles they had been sitting through for several weeks.

Wheelless had several good boats. Some of the Valley people brought other boats, to provide ample boating facilities. The Raymondville Chamber of Commerce gave a barbecue on Saturday night. There the people of Raymondville, who have been promoting the port project, told of their hopes and dreams of developing a real port at this location on the Texas coast.

People of Willacy County already have spent \$2,500.00 on the project. This includes the dredging of a cut through Padre Island, to connect the Gulf of Mexico with the mainland. Unfortunately, the cut was completed last year just before a tropical disturbance hit, causing the cut to fill up too much for large boats.

Fishing boats still can go through the cut, however, to just about the finest fishing to be found anywhere.

Most of the fishing done by the newsmen was in Laguna Madre, only a short distance from the motel. Practically all the fish were caught by following the gulls.

There were two or three men to the boat. They would ride along the intracoastal canal and watch for the birds. When they saw a flock of gulls working the water, they would speed to the location and start plugging. For the gulls were the signal that large fish, foraging in Laguna Madre, were chasing bait fish or shrimp. The attacking fish would push the smaller fish, to the surface. Gulls then would dive down and grab the small fish, or shrimp. So the writers went after big ones.

It was fabulous fishing. On almost every cast you'd bring in a nice trout.

We quit fishing about 10:30 each morning and rested until mid-afternoon. Billy Disch, Austin marine dealer who fishes a lot, came in the second morning and announced that he had caught so many fish he never cared to catch another. He did, however, that very afternoon. It was too tempting to resist.

It's a beautiful drive. You see wild deer, turkey and javelina along the highway before you get there. And at the end of the road you find fabulous fishing.

Baptist Church Closes Revival, Lists Successful Anniversary

By Mrs. A. T. Swanzy
Telephone V09-2351

The Ben Arnold Baptist Church closed its revival services Sunday night with 8 additions to the church minutes of congregational singing the week was well attended with visitors from Cameron, Burlington, Rosebud, Temple, South Elm and other places.

The 50th anniversary program of the Baptist Church Building was a huge success with visitors who were former residents of the Ben Arnold community coming from places over Texas.

Among those from out of town were Imogene Eickenhorst and Mrs. Bud Johnston of South Elm; Mrs. Berta Caddell of Yarrington; Mr. and Mrs. Charles B. Eickenhorst and children of Temple; Paula Swanzy of Rosebud; Mr. and Mrs. Melvin Tubbs and children of Bryan; Rev. and Mrs. P. L. Caperton of Cameron; Mr. and Mrs. Robert Lee Schuetze and Brenda, Temple; Mr. and Mrs. J. E. Jinks, Walkers Creek; Mr. and Mrs. Walter Strickler; Mrs. Ida Johns, Cameron; Mrs. W. A. Sproull and Miss Kate Sproull, Cameron; Mrs. Frank Sherrill, Rev. and Mrs. Jack Riddlehoover and children, McGregor; Rev. and Mrs. Theo A. Binford, Rosebud.

TO THE VOTERS OF MILAM COUNTY, TEXAS:

Much confusion has arisen over the proposed stock law election with reference to horses, mules and hogs. We have been advised by our attorneys that the defeat of this proposed stock law would not effect any community or precinct now under a stock law; that those sections of our county now having a stock law will remain under that stock law if this election is defeated and those of us in the free range country will still be in free range.

Believing in local self-government, we urge our friends to leave this on local option basis where we can have or not have a stock law as we desire and they can have or not have a stock law as they desire. This is democracy.

VOTE "FOR LETTING HORSES, MULES & HOGS RUN AT LARGE"

AND LET LOCAL SELF-GOVERNMENT RULE.

W. D. Wood
W. A. Thomas

Mrs. Marvel Hughes, Cameron; Mr. and Mrs. J. D. Tubbs and granddaughter of Vidol; Mr. and Mrs. L. A. McFaddin, Austin; Mrs. Bill R. Allen, Freeport;

Also Mr. and Mrs. Claud Sproull Jr. and family, Caldwell; Mr. and Mrs. H. J. Folschinsky Sr. and Mrs. and Mrs. Wayne Wieser and Charm of Cameron; Mr. and Mrs. W. O. Boecker and family, Bryan;

Mr. and Mrs. Will Knuppel; Mrs. Agnes Dryer; Lydia Reimer; Mr. and Mrs. Earlwood Sproull, Freeport; Mrs. J. D. Martin Maysfield.

The program consisted of 30 minutes of congregational singing beginning at 1:30 p.m. followed with a prayer by Rev. P. L. Caperton who was pastor of this church in 1946. Then Rev. Tommy Dusek recognized Mrs. W. A. Sproull as the only living charter member of the church and presented her with a white carnation corsage. Mr. and Mrs. Herman Folschinsky Sr. of Cameron were the first couple to be married in the church. They were presented with a white carnation corsage and boutonniere. Mr. and Mrs. J. C. Wheeler of West Texas were the last couple to be married in the church.

All visitors in the building were introduced with the former pastors who were presented, given an opportunity to speak briefly. There were 3 present., Rev. Theo A. Binford now pastoring the First Baptist Church of Rosebud; Rev. P. L. Caperton, Cameron, retired, and Rev. Jack Riddlehoover pastoring College Avenue Baptist Church of McGregor. The anniversary sermon was brought by Rev. Binford of Rosebud who brought the same

sermon when the church notes were paid and the building was dedicated in 1912.

Mrs. Gerald Cobb is attending college classes in San Antonio. Miss La Nelle Moraw, daughter of Mr. and Mrs. Leo Moraw of Splawn, was honored with a birthday party last Saturday night at the school building.

J. M. Henson, patient in Rosebud hospital is reported to be much improved following surgery last week.

There will be a do-si-do at the school building this Saturday night, November 1.

Mr. and Mrs. Richard Heugatter and sons of Houston visited Mr. and Mrs. Walter Strickler the past weekend.

Mr. and Mrs. Charles B. Eick-

horst and daughter of Temple, Mrs. Bud Johnston and Miss Imogene Eickenhorst of South Elm were week end guests of Mr. and Mrs. C. A. Eickenhorst.

Mrs. W. H. Ezzell's guest is her daughter, Mrs. Ethel Starling of Santa Monica, California. Mrs. Ezzell and her guest visited in Cameron Friday with her daughter and son-in-law, Mr. and Mrs. Jim Mit-cham.

Double Ring Ceremony Unites Miss Heugatter, Mr. Brueggeman

Miss Jacqueline Rose Heugatter of Burlington and Mr. Johnny Hubert Brueggeman of Rosebud were married October 11 at the Pleasant Grove Baptist Church with the Rev. R. L. Brown officiating. Baskets of fern decorated the church for the double ring ceremony and traditional wedding music was furnished by Miss Sarah Jo Futschik.

The bride wore a gown of white tulle over white satin featuring a jacket of white satin with long, tapered sleeves. Her finger tip veil was of nylon net and she carried a cascade of white carnations.

Mrs. Wessie Jackson was her sisters matron of honor and Miss Gerald Ann Foshea was bridesmaid. They wore identical blue dresses.

Wessie Jackson served as best

man and Jerry Brueggeman was groomsmen.

The brides mother chose a dress of green crepe with black accessories. Her corsage was of white carnations. The grooms mother wore a black and white dress with black accessories and a white carnation corsage.

A reception was held at the church immediately following the ceremony.

The brides table was covered with a lace cloth and centered with the wedding cake. Ladies of the church served the cake and punch and Miss Ann Gross was in charge of the guest book.

The couple will make their home in Rosebud where the bride is a student at Rosebud High School. Mr. Brueggeman is employed in Waco.

FINAL HOME GAME

Rogers Invades Yoe Field Friday

Cameron Seeks To Extend Streak!

Ambitious Rogers will bring their upset hopes to Cameron Friday night in the final home game of the 1958 season for the Yoemen.

The Yoemen meanwhile will hope to extend a new winning streak that started with Rosebud's defeat last Friday, 28 - 22, at the Panther Homecoming tilt at Rosebud.

It is the first time in recent history that Rogers and Cameron have met on the gridiron. And favored Cameron may find a surprisingly tough Rogers club facing them Friday night.

See you at the game!

Cameron's Business - Industrial Review

Story Of Cameron Business Leadership

"No Time For Sergeants" Coming To Milam Theatre In November

Andy Griffin will lead a hilarious cast in "No Time For Sergeants" next month at the Cameron Theatre. "No Time For Sergeants," rated tops by theatre critics, is just one of the outstanding features scheduled for showing at the Cameron Theatre during November according to manager Billy Peck. "If you want first rate movie entertainment," Peck points out, "you will find more first-run pictures than ever at the downtown Milam Theatre."

HEADLINERS

Headline-winning features coming up at the Milam Theatre include "Naked and the Dead" starring Aldo Ray, Cliff Robertson and Raymond Massey showing November 2, 3, 4, "The Buster Keaton Story" with Donald O'Connor, Ann

Blyth and Rhonda Fleming on November 5-6; and "Man of the West" starring Gary Cooper and Julie London, November 9-10-11. Peck emphasizes that these top entertainment films represent typical movie fare at Cameron's downtown Milam Theatre where the finest in refreshments and popcorn are available to all movie goers.

In constant effort to provide the finest theatre for Milam County, the management of the Milam Theatre recently added attractive new floor covering in the theatre lobby.

11-Year Veteran

Peck is a 11-year veteran with the two Cameron theatres, owned by Cameron Theatres, Inc. He became the manager of the Cameron theatres in 1957, succeeding

Dean White.

He is a native Cameronite and graduated from Yoe High School. He attended Sam Houston State Teachers College and Southwest State Teachers College, San Marcos, for one and one-half years. Peck started ushering at the Milam and then moved to a projectionist position. He is married and has one son, Michael I. The Pecks live at 1700 N. Hoover.

He served 19 months in the Navy medical corps during World War II.

"The personnel and management of both theatres strive to give our customers the utmost in movie entertainment for their money," Peck adds.

"Be sure to see one of these movies coming up," Peck says. "They will prove that movies are better than ever."

Cameron Auto Boasts Skilled Repair Staff

It's Cameron Auto Supply for name-brand parts for almost any kind of auto, truck or tractor. That's the promise of Allen Dodson and Jerry Mikula, partners in Cameron's leading independent auto parts business.

Their staff includes skilled specialists George Pool and Melvin Provasek who really know their auto parts and repair work. It is no idle claim about our parts variety, Dodson says. The list of name brand parts reads like a who's who of auto accessories and parts equipment. And Mikula points with pride to an operation that also provides a complete, efficient parts service along with a strong lineup of parts and equipment.

Wide Selection

If you want recognized parts equipment, here are some names you will find at Cameron Auto Supply Co.

Spark plugs by AC, Champion, and Auto Lite. Oil filter cartridges by Fram, AC, and Hastings. Mufflers and tailpipes by Walker. Fuel pumps by AC, Airtex and Carter. Bearing by Timpken, Ilyatt and New Departure.

And other parts brands include carburetors and pumps by Carter, a complete line of Auto-lite and Standard ignition parts and Hastings, Perfect Circle, McQuay-Norris and Ramco piston rings.

"Our customers can depend on auto parts such as Gates fan belts we stock for all cars, trucks and power equipment," Dodson emphasizes. "And they will find a complete line of McQuay-Norris replacement parts."

Mack's Oil Has Complete Auto Service With Phillips Products

Keeping up with modern auto needs is part of the complete service at Mack's Oil Co. US 77 east in Cameron.

Mack's Oil Co. has a variety of auto services and competent staff of eight to carry out the complete auto treatment with Phillips 66 products.

Recently remodeled offices are only a part of continuing effort to keep the facilities of Mack's Oil Co. up to the latest in motorist's requirements in an auto service center.

A. W. McCullin, owner of Mack's Oil Co., has two other retail outlets in Rockdale and Caldwell.

McCullin, also Phillips petroleum distributor in Milam, Burleson and Lee Counties, knows that top-notch service is what customers want. And that is what they get at his Cameron service station.

His Cameron station features Phillips petroleum products including diesel fuel, motor oils and gasoline. He also sells Lee tires, the famous Gates belts, Purolator oil filters and Champion spark-plugs, all well-known brand items. "You will find the complete service in Mack's 66 in Cameron," McCullin says. "And the same efficient, courteous Phillips 66 service awaits you at the Rockdale, and

Caldwell stations."

A versatile man in petroleum products and public service, McCullin also buys and sells crude oil in the Minerva field in Milam County. In fact, he points out that he began working in the oil business in Minerva in 1931, moving to Cameron in 1939.

His firm specializes in diesel and heavy oils and operates in 29 counties. His main office is in Cameron, McCullin says.

McCullin provides equally efficient service and sales at his retail outlets.

Cards of Thanks

We want to thank everyone who was so kind to us during our recent bereavement.

We especially want to thank Rev. Aubrey F. Russell and Brother H. M. Bowley, Jimmie Asher and Mrs. W. H. Fletcher.

The Joe Warren Family
I would like to extend my appreciation for all the thoughts and considerations that I received while I was in the hospital and during my convalescence.

May God bless each of you.
Oscar Smith

We wish to express our sincere appreciation to our many friends for the kindness shown us at the death of our loved one.

To those who sent food, flowers, and messages of condolence, we send our heartfelt thanks.

The Wife and Relatives of Mr. R. C. Marshall

We wish to express our thanks and appreciation to Glass The Florist, Mrs. Marvel Hughes of Cameron, Mrs. Herman Dorner Sr. of Burlington and any others who donated flowers for our weeks revival and especially our 50th anniversary program. We would also give thanks to anyone who helped with the noon meal on Sunday. Also we would like to express thanks to everyone who visited us during the week and on Sunday, for without your presence our revival and program would not have been the huge success that it was.

NOTICE ON ORDER FOR COUNTY-WIDE STOCK LAW ELECTION

(HORSES, MULES AND HOGS) WHEREAS, AT ITS Regular Meeting on September 8, 1958, the Commissioners Court of Milam County, Texas, duly adopted the following order:

"On this the 8th day of September, A. D. 1958, came on to be heard by the Commissioners Court of Milam County, Texas, at a Regular Meeting of said Court, the petition of two hundred eighty-two freeholders of Milam County, Texas, filed herein on the 6th day of September, A. D. 1958, praying that this Court order an election to be held in said Milam County, Texas, for the purpose of enabling the freeholders thereof to determine whether horses, mules and hogs shall be permitted to run at large therein, and it appearing to the Court that such petition is in due form, that no election for such purpose has ever been carried in said Milam County, Texas, that no election to determine said question has been held therein within twelve months prior to the filing of such petition, and that such petition should be granted; ACCORDINGLY, it is ordered that on the 4th day of November, A. D. 1958, such date being not less than thirty (30) days from the date hereof an election shall be held throughout Milam County, Texas, for the purpose of enabling the freeholders of said Milam County, Texas, to determine whether horses, mules and hogs shall be permitted to run at large in said Milam County, Texas.

FURTHER, it is ordered that such election shall be held and conducted and the returns thereof made in accordance with the laws regulating general elections, in so far as the same are applicable, and the laws applicable to stock law elections of such character; and the County Judge shall issue the order therefor and cause public notice thereof to be given, as provided by law".

the same now appearing of record in Volume 11, page 489, of the Minutes of said Court, and to which reference is here made: NOW, THEREFORE, by virtue of the authority vested in me under such Order and the laws of this state, I, Charles C. Smith, Jr., County Judge of Milam County, Texas, do hereby order that on the 4th day of November, A. D. 1958, at the usual polling places in the several Election Precincts thereof, an election shall be held

throughout Milam County, Texas, for the purpose of enabling the freeholders of said Milam County, Texas, to determine whether horses, mules and hogs shall be permitted to run at large in said Milam County, Texas.

AND IT IS FURTHER ORDERED: That such election shall be held and conducted and the returns thereof made in accordance with the laws regulating general elections, in so far as the same are applicable.

That no person shall vote at such election unless he is a freeholder, and is also a qualified voter under the Constitution and laws of the State of Texas.

That all votes at such election shall be by ballot, and all ballots shall have printed thereon the words: "FOR LETTING HORSES, MULES AND HOGS RUN AT LARGE", and "AGAINST LETTING HORSES, MULES AND HOGS RUN AT LARGE". There shall be printed on such ballots just above the propositions to be voted on, this instruction note: "Scratch or mark out one statement so that the one remaining shall indicate the way you wish to vote". The voters shall mark their ballots and the votes shall be counted in accordance with this instruction note.

That on or before the 10th day after such election the persons holding such election shall make due returns of all the votes cast at their respective voting places for and against said propositions to the Commissioners' Court of Milam County, Texas, and same shall be opened, tabulated and counted by said Court in the same manner as provided for all general elections in this State.

That on or before the 10th day after such election the persons holding such election shall make due returns of all the votes cast at their respective voting places for and against said propositions to the Commissioners' Court of Milam County, Texas, and same shall be opened, tabulated and counted by said Court in the same manner as provided for all general elections in this State.

That publication of this Order shall be given for at least thirty (30) days before the date of such election by publication thereof in The Cameron Herald, a newspaper published in Milam County, Texas.

WITNESS the hand of the County Judge of Milam County, Texas.

Charles C. Smith, Jr., County Judge

D. 1958, such date being not less than thirty (30) days from the date hereof an election shall be held throughout Milam County, Texas, for the purpose of enabling the freeholders of said Milam County, Texas, to determine whether horses, mules and hogs shall be permitted to run at large in said Milam County, Texas.

FURTHER, it is ordered that such election shall be held and conducted and the returns thereof made in accordance with the laws regulating general elections, in so far as the same are applicable, and the laws applicable to stock law elections of such character; and the County Judge shall issue the order therefor and cause public notice thereof to be given, as provided by law".

the same now appearing of record in Volume 11, page 489, of the Minutes of said Court, and to which reference is here made: NOW, THEREFORE, by virtue of the authority vested in me under such Order and the laws of this state, I, Charles C. Smith, Jr., County Judge of Milam County, Texas, do hereby order that on the 4th day of November, A. D. 1958, at the usual polling places in the several Election Precincts thereof, an election shall be held

throughout Milam County, Texas, for the purpose of enabling the freeholders of said Milam County, Texas, to determine whether horses, mules and hogs shall be permitted to run at large in said Milam County, Texas.

AND IT IS FURTHER ORDERED: That such election shall be held and conducted and the returns thereof made in accordance with the laws regulating general elections, in so far as the same are applicable.

That no person shall vote at such election unless he is a freeholder, and is also a qualified voter under the Constitution and laws of the State of Texas.

That all votes at such election shall be by ballot, and all ballots shall have printed thereon the words: "FOR LETTING HORSES, MULES AND HOGS RUN AT LARGE", and "AGAINST LETTING HORSES, MULES AND HOGS RUN AT LARGE". There shall be printed on such ballots just above the propositions to be voted on, this instruction note: "Scratch or mark out one statement so that the one remaining shall indicate the way you wish to vote". The voters shall mark their ballots and the votes shall be counted in accordance with this instruction note.

That on or before the 10th day after such election the persons holding such election shall make due returns of all the votes cast at their respective voting places for and against said propositions to the Commissioners' Court of Milam County, Texas, and same shall be opened, tabulated and counted by said Court in the same manner as provided for all general elections in this State.

That on or before the 10th day after such election the persons holding such election shall make due returns of all the votes cast at their respective voting places for and against said propositions to the Commissioners' Court of Milam County, Texas, and same shall be opened, tabulated and counted by said Court in the same manner as provided for all general elections in this State.

That publication of this Order shall be given for at least thirty (30) days before the date of such election by publication thereof in The Cameron Herald, a newspaper published in Milam County, Texas.

WITNESS the hand of the County Judge of Milam County, Texas.

Charles C. Smith, Jr., County Judge

Tom Murray's Column

SMU's Don Meredith, whom many claim is the most deadly thrower since David's startling upset of Goliath, cocks his arm at the Texas Longhorns Saturday, a team that put him on the road to success last fall.

Meredith, who once signed a letter-of-intent with the Longhorns and tore it up to go with the Methodists, hopes to celebrate the first anniversary of his emergence as a star by shooting Darrell Royal's Orange right out of the Southwest Conference race.

Despite the big shindig at Austin, 68,000, sellout, the most spectacular Southwest contest may take place 110 miles to the east a few hours later.

For Saturday at 8:00 p.m. the Texas Aggies, with Chunkin' Charlie Milstead on the firing line, face Arkansas' jet-blast speed. With the slow-footed Aggie defense facing a backfield with more backs who do the hundred in less than 10 seconds than those who do not, the Pigs may gain more ground than Uncle Sam in the Louisiana Purchase.

Arkansas, however, has not the best pass-defense and Prince Charles probably will complete as many passes against the Hillbillies as an Aggie enrolled at Texas Women's College.

Mike Cooney, the Tyler quarter back who defected to the barefoot state, may show Jim Myers the speed he wished for the talent-stocked Milstead. The 6-1 174 pound Cooney runs the rollout like Mississippi's Ray Brown. His 56-yard run against Texas was a thing of beauty.

Not a man laid a digit to him until a suddenly inspired Bobby Lackey ran him down from behind. He repeatedly gained on that thing by simply outrunning the molasses-sluggish Longhorns.

The Hogs own one of the old Leagues better fullbacks, Donnie Stone a hell-for-leather 195-pounder. But keep your eye on Halfback Jim Mooty, a 9.6 sprinter at 172. He is only one of many. And then the Aggies are more the size of the smallish Arkansians than previous opponents.

This is one time the famed Aggie spirit may take a hand. For only inspired play can avert disaster against such speed.

ROB HEWLETT, drum major of the University of Texas' "Show Band of the Southwest," is a son of Lan Hewlett, Darrell Royal's Longhorn Brain Coach. Rob and his pop hail from nearby Lockhart. ... Gerald (Bones) Weatherly, one of Rice's great centers out of Cuero, was president of the influential Owl Club at Houston last year. ... "One of the main reasons we recruited Max

Webb," Rice Pulchicist Bill Whitmore says of the Navasota half-back, "was his great offensive performance in high school!" Seems rather strange for collegiate ivory-hunters to be eye-balling Orange schoolboy games, after the very recent drouth of respectability. Wilson Waites has performed one of the major coaching jobs with little state-wide publicity. His Tiger reclamation ranks with those performed at Texas A&M by Paul Bryant and Darrell Royal's work on the lifeless Texas Longhorns.

Roger Reinstra, the all-state 3-A quarterback out of Nederland, moved the Texas Shortstom squad well before getting a knee injury against Baylor. His former teammate, All-State End James Street, now an Aggie Fish, caught a touchdown pass against TCU, in a 6-6 tie. Street then headed for Austin to visit his old buddy, Roland Johnson, Rice's tremendous running frosh halfback, is being called the Owls' best running back since Dicky Moogle. ... Rosenberg-Richmond grid fans saw three hometown lads in action for Rice and Texas last week. End Bob Moses and Center Jim Heijl were in Texas' Orange and White against the Owls while John Orsak tugged on Rice's blue for the big battle with the Longhorns. ... Guy Dillon, the raging 195-pound all-state Cameron fullback, whom Texas A&M snatched from Navy and Notre Dame in addition to other SWC schools, packed his bag and left after a brief stay at the military reservation on the Brazos. ... Liberty's Bill Pavliska, the 195-pound speed-boy who has given Baylor a versatile offense, returns to the shadow of his first collegiate success Saturday. The Bears meet TCU at Fort Worth. Pavliska, ineligible last year, was a great running back for Claude Gilstrap's Arlington State Rebels. ... Schulenberg's Billy Bueck, dead-eye kicking halfback, is another of the many youngsters who intended to matriculate at Texas only to change at the last minute. Jess Neely couldn't be happier.

Joe took the kickoff on the 35 and ran it back to the Panther 49. Joe got a yard. Mraz lost a yard on a recovered fumble. A Cameron backfield fumble gave Rosebud the ball on their own 39. Sitz and Bruggerman put together 10 yards for a first on the 49. Sitz plunged 2, McAttee 5 and Sitz 5 again for a first. Cameron recovered a Sitz fumble on the 38, giving the ball to the Yoemen.

Mraz carried the ball three times in a row getting 4, 3, and 7 yards and a first.

Dodson picked up 1 to the 50 and Josey broke lose for 12 yards through left tackle. Josey plunged 9 and Dodson 1 for another first.

Mraz got 5 yards. Cameron took a 5-yard penalty against them placing the ball on the 25. After a couple of void plays, irkk completed a pass good for 4 to Josey but not enough for the first, giving the pigskin to the Panthers.

Bruggerman fumbled on the first play giving the Yoemen the ball again.

Cameron and Rosebud both had 5-yard penalties against them, putting the ball on the 19.

Mraz got 9 as Cameron drew another 5-yard penalty. Rosebud took over on the 16.

Rosebud couldn't get anywhere and fumbled on the 8 where James Fontaine pounced on the ball to put Cameron 8 yards from paydirt as the second quarter began.

Rosebud threw 2 incomplete passes from the 28 where they took the kickoff, McCollum picked up 2 and White got away a 30 yard punt.

Yoemen Race Clock To Defeat Inspired Panthers In 28-22 Win

The Cameron Yoemen are back on the winning trail as they overcame a fired-up Rosebud Friday night 28-22.

The Yoemen pulled the game out in the closing minutes of the final quarter.

With only 2:50 minutes left to play Quarterback Jesse Kirk threw a pass 32 yards that took the ball to the 3 yardline where fullback Allen Dodson plunged through for the touchdown.

John Wayne Josey accounted for the first Yoemen TD carrying over from the five early in the second frame.

Archie Mraz made the outstanding Yoe run of the night, a 66 yard runback of a punt return down the sideline to the 6 where Fikes carried over from the 3 a couple of plays later.

Following that Cameron TD, McCollum took the kickoff from Cameron and carried the ball 62 yards down the center for a touchdown.

First Half

Joe took the kickoff on the 35 and ran it back to the Panther 49. Joe got a yard. Mraz lost a yard on a recovered fumble. A Cameron backfield fumble gave Rosebud the ball on their own 39.

Sitz and Bruggerman put together 10 yards for a first on the 49. Sitz plunged 2, McAttee 5 and Sitz 5 again for a first.

Cameron recovered a Sitz fumble on the 38, giving the ball to the Yoemen.

Mraz carried the ball three times in a row getting 4, 3, and 7 yards and a first.

Dodson picked up 1 to the 50 and Josey broke lose for 12 yards through left tackle. Josey plunged 9 and Dodson 1 for another first.

Mraz got 5 yards. Cameron took a 5-yard penalty against them placing the ball on the 25. After a couple of void plays, irkk completed a pass good for 4 to Josey but not enough for the first, giving the pigskin to the Panthers.

Bruggerman fumbled on the first play giving the Yoemen the ball again.

Cameron and Rosebud both had 5-yard penalties against them, putting the ball on the 19.

Mraz got 9 as Cameron drew another 5-yard penalty. Rosebud took over on the 16.

Rosebud couldn't get anywhere and fumbled on the 8 where James Fontaine pounced on the ball to put Cameron 8 yards from paydirt as the second quarter began.

Rosebud threw 2 incomplete passes from the 28 where they took the kickoff, McCollum picked up 2 and White got away a 30 yard punt.

Mraz Dashes 66

Little Archie Mraz took the ball on the 35 and raced along the sideline 66 yards before being hauled

down on a shoestring tackle at the 6.

Dodson and Josey got the ball on the 3 where Carrol Fikes scored his second touchdown of the season. The pass from Kirk to Zarosky was good putting Cameron in the lead 14-0.

McCollum took the kickoff from the 18 and went 82 yards up the middle for a touchdown. The pass play was incomplete making it 14-6 Cameron.

Cameron couldn't get rolling and Kirk got away an 18 yard punt from the 45.

Rosebud had the same problem and White exchanged a 36 yard punt.

Fikes picked up a first down on the 18 and went 82 yards giving Rosebud the ball on the 35.

Rosebud got to the 34 where a pass was attempted, that was intercepted by Jesse Kirk, ending the first half.

Second Half

Bruggerman took the kickoff from the Rosebud 45 to the Cameron 45.

Rosebud picked up 5 yards on the next 5 plays. McCollum went back to punt but instead handed the ball to Sitz who raced 30 yards.

With the ball on the 12, Cameron was penalized 10 yards putting the ball on the one yard line.

David McAttee went over for the

touchdown, and McCollum went wide for the 2 extra points tying the game at 14 all.

Ray Tepera ran the kickoff back a couple of yards. After a couple of ground plays Kirk completed a 27-yard pass to end George Zarosky, however the ball was fumbled by Cameron and Rosebud took charge.

Rosebud earned 2 first downs, but lost control on their own 30 where Kirk picked up a first.

Hollas came in at quarterback and made a first on a 10-yard keeper play.

The ball was carried to the Rosebud 7, iKirk got 1, Josey 3, and Kirk 32.

Kirk plunged from the 1-yard line for a TD on a quarterback sneak early in the 4th quarter. Fikes dove short in this extra point attempt. 20-14 favor of Cameron.

Neither team picked up much yardage until Marvin Spivey intercepted a Cameron lateral and trotted 33 yards for the score. McAttee carried the 2 extra points over, making it 22-20, Cameron trailing.

Dodson scored the winning touchdown from the 3 following a game-saving 32-yard pass from Kirk to Josey. Kirk passed to Zarosky for the extra points. The score stayed that way, 28-22.

Rockdale Defeats Georgetown 14-0

The Rockdale Tigers defeated Georgetown in Rockdale Friday night 14-0.

Rockdale scored in the first quarter on a 75 yard drive led by Paul Jenkins, the pass play was good for 2 extra points placing Rockdale in the lead 8-0.

Paul Jenkins broke lose again in the final stanza going around left end from the 21 yardline with 11 seconds remaining in the game following a Georgetown fumble on their own 1.

Rockdale was way out front in yardage 290 to 106 for the game.

Belton, Cameron Win In Fridays District Play

District AA football fans saw real game action Friday night in Rosebud and Belton as Cameron barely edged by Rosebud 28-22, and Belton took Hearne 12-6, Rogers was inactive.

It took a late 4th quarter pass by the Yoemen to pace the Panthers from Rosebud to a defeat, Jesse Kirk threw to Josey for 32 yards and then Allen Dodson plunged over from the 3 yardline.

Rosebud put on probably their finest showing of the year against the larger Yoemen team Friday. Rosebud has 18 boys on the roster and operates with a light starting

Injury Sidelines

Lierman For Season

Ed Lierman, 175 pound speedster has been lost by the Cameron Yoemen for the remainder of the season due to an injury received in the Bellville-Cameron game.

Lierman, a combination halfback fullback has seen limited action at both positions on offense, but had been showing up well on defense.

Roger Terry, 150 pound senior fullback is probably through for the season, due to a dislocated shoulder.

Lierman fractured a vertebrae in his back and was in the hospital five days before being released. He is now wearing a neck brace that will be removed in March when he plans to run track and play baseball for Yoe High.

The League now stands:

Belton-1 win-0 losses-1 tie
Cameron-1 win-0 loss-1 tie
Hearne-0 wins-1 loss-0 ties
Rosebud-1 win-1 loss-0 ties
Rogers-0 wins-1 loss-0 ties

Cameron's only chance to represent district this season would be for Belton to lose or tie a game and for Cameron to play the rest of the season undefeated, otherwise if Belton doesn't loose or tie they will represent district because of the penetration rule.
